

14 April 2020

Dear Parents,

School re-opens again today and I thought it would be worthwhile to update you on a couple of matters.

I have continued to check the Government's FSM voucher supplier website, there was no movement on our orders and then their system went offline on Saturday night, it has yet to return, however I will continue to check every couple of hours. I realise that this is very frustrating and if there is anything that we can help with, we will obviously try and support our fantastic parents, just let me know by emailing office5@netherfieldprimaryschool.com.

School has re-opened this morning, for a small number of children. This has been possible by once again colleagues volunteering to work and I pass on my public thanks to them. We are also taking bookings for the next week, beginning Monday 20th April to Friday 24th April, if you require this service then as per usual, can you email office5@netherfieldprimaryschool.com with your requirements. As ever, this remains the same status as previous weeks and is if they cannot be safely kept at home.

School work packs for summer half term one (beginning April 20th) have been available all last week for pick up or they can be emailed home. If you have yet to pick up your pack, you can do so today at the following times today:

Time	Tuesday 14th April
9.00- 9.45	EYFS - MISSED SLOT
10.00-10.45	KS1 - MISSED SLOT
11.00-11.45	KS2 - MISSED SLOT

If you would prefer a pack to be emailed home, then again please contact us via office5@netherfieldprimaryschool.com and we will sort that out as soon as possible.

Stay Safe and Best Regards

Jon Crone
