Dear Parents/Carers

Expansion Consultation

As you may be aware, in order to meet increasing demand for secondary school places in Gedling, Carlton le Willows is proposing to take in two more teaching groups in year 7 from September 2022.

This means more children who live locally, in particular those within our catchment, will have a better chance of getting a place.

Working with the County Council, we are planning to build new facilities and improve the old. Everyone who attends now and, in the future, will benefit. We also aim to make access to the campus safer for pedestrians. We are proud of our long history of success and delighted we can offer the benefit of having a good quality education to more local children who live nearby.

Full details of the expansion proposal can be found on our website

<https://www.clwacademy.co.uk/expansion> along with further information on the consultation, which will open for four weeks from Monday 1 February 2021 to Sunday 28 February 2021.

Yours sincerely

Mr J C Weaver
