

30 March 2021

Dear Parents and Carers

End of Term / Beginning of the New Term

The last day of school this term is Thursday 1 April and we return on Monday 19 April. School will still be operating under current guidance, so the staggered start and finish times will remain in place. As soon as there are any changes to the Government guidance for schools, we will of course inform you of how this may affect you and your children.

Staffing Changes

It is with a heavy heart that we say goodbye to Mrs Thraves at the end of this term. Mrs Thraves has been with us for 15 years and most recently, has spearheaded our Nurture provision in the Learning Lodge. The quality interactions, routines and self-belief she has instilled into a large number of children will have a huge and positive impact on their lives and for this, we are truly grateful. We send her our thanks and very best wishes for the future.

Summer Term

Staffing should return to the normal level after the Easter break, as colleagues who have had to work remotely for a whole year, return to face to face teaching. We have missed their presence in school and I am sure parents and children will join me in welcoming back these members of staff.

September 2021

Pupil numbers in our nursery provision for 2 and 3 year olds are incredibly high for the summer term and we have had to hold a waiting list for places. We do have places available for those children who are eligible to start nursery in September so if you would like your child to join us (we would love to have them!), please contact us as soon as possible to register them.

I would like to thank you for your continued support to the school during this very challenging year. I would like to wish you and families and very happy and peaceful Easter.

Kindest regards

Mr Crone
Headteacher
