

Year 3 Spring Newsletter

Year 3 Information

This term we will start to prepare for our Year 3 and 4 production at the end of March. Our play will be 'The Amazing Adventures of Super Stan'. If you have any unused superhero costumes at home we would be really grateful if you could bring them in!

This half term, we will be having Golden Time on a Wednesday. This is to ensure that children are able to access vital interventions delivered by our Teaching Assistants.

Spring
Term

Curriculum

In History this half term, we will be learning about Royal Families through time. We will be exploring the impact that Kings and Queens such as William the Conqueror and Queen Mary I had on Great Britain.

In Science, we will explore magnetism and light, looking at how light is altered by objects and investigating the metals which are magnetic.

PE

Class 6 now have swimming lessons on Thursday afternoons. Class 5 have PE and will need to ensure their PE kit is in school for Thursday sessions. Please remember that earrings should be removed prior to PE.

Volunteers

Thank you to all our volunteers who have supported so far this year with trips, reading, sewing and swimming sessions. We really appreciate your support.

If you are able to support us by volunteering, please speak to a member of the office team.

Reading

Please ensure your child is reading at home regularly. 10 minutes every night before bedtime really makes a difference. There is also library club at playtimes and lunchtimes for children who would like to read even more at school!

English

This term we will be looking at paragraphs to group writing. We will look at the specific names for objects like flowers and trees to make our writing even more detailed.

We will be linking our writing to our learning across the curriculum and will be working towards writing a letter to the Queen. We might even write a letter congratulating Prince Harry and Meghan Markle on their engagement!

Diary

5th & 7th Feb: Parent's Evening from 3.30pm

6th Feb: Internet Safety Day

19th—23 Feb: Half Term week

26th Feb: INSET

1st March: World Book day

14th - 16th March: Book Fair

Performance dates:

Tues 27th March—morning

Wed 28th March — afternoon

29th March: Break up for Easter

MATHS

In Year 3, children should know their 2, 3, 4, 5, 8 and 10 times tables. We would appreciate any practise you can do at home!

Children will be given maths home work each week. Please hand it in the following week.

The homework is kept in the children's maths folder alongside their school work.
