

Dear Parent/Carers

9 March 2022

Reception White Post Farm Trip

We are very excited to announce that we have arranged for our Reception children to visit White Post Farm on Wednesday 30 March 2022.

The visit is planned to support our topic work around different environments, making observations of animals and learning about animal habitats. We are hoping to see lots of different and exciting animals including chicks, rabbits, cows, pigs and llamas!

Children will be leaving school at 9.15am and will return to school at 3pm for a normal collection from the classroom at 3.15pm. Please ensure that your child wears sensible footwear, preferably wellington boots and that clothing is warm and not valuable. Please also make us aware below if your child has any allergies that may be affected by the animals or a farm environment. We will provide your child with a packed lunch, however, please send your child with a drink.

Whilst school is covering the cost of the majority of the trip, we are asking for a parental contribution of £5.00. You can pay for this trip online on Parentmail or by cash at the office. If paying by cash please place it in a named envelope.

Please complete the permission slip below and return to the School Office as soon possible and by **Friday 25 March**.

Many thanks

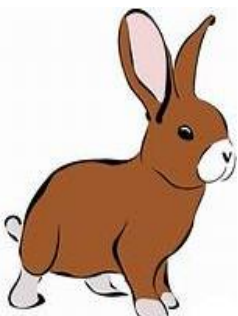

Mrs Tabreham and the Reception Team

.....
