PROJECT

Our project for this half term is called **The Box of Forgotten Toys** where we will be learning about toys now and in the past, including the materials toys are made from. We will also be creating moving pictures linking to our Design and Technology.

PE

Our PE lessons are on a Thursday morning and are taught by Mr Humphreys and Mr Beet. Please ensure your child comes to school in their PE kit including appropriate footwear. Children are NOT allowed to wear earrings or jewellery for PE. If earrings can't be removed they must be covered by plasters. Thank you.

POINTS MAKE PRIZES!

Children are given reward points for **READING AT HOME**

- Great learning behaviour (having a go!)
- Perseverance
- Project home work being handed in (BIG POINTS!)

We spend the points in the school shop which the children love.

ENGLISH

Our writing is linked to our projects and we aim to do a variety of texts, stories, non fiction and poetry. Spellings are set each week and we will test the children every week. We expect children to practise them at home.

We have four sessions of Whole Class Reading, where we share a text together and explore its vocabulary and meaning.

We LOVE stories and are always reading books!
