

There's No Place Like Home

Autumn 1- Home Learning Topic Menu

Children are encouraged to complete two of the selections below and bring in their work by **Friday 11th of October** for us to celebrate and put on display for all to see. We can't wait to see what you make linked to this term's theme!

Do you know your home address off by heart? Can you write us a letter with your address in and post it to us in Class for us to read out?

Send it to; Your Class
Netherfield Primary School
Netherfield
Nottingham
NG4 2LR

Need an envelope? -just ask.

Can you collect frottage samples from inside and outside your home? Frottage is an art term for when you make impressions in paper by rubbing over surfaces with chalks and wax crayons.

Can you design and make your own shoebox house or room?

Imagine you work for 'Happily Ever After' Estate Agents and are selling your favourite story character's house. Can you draw and write a leaflet to sell it explaining all its best features and how much it costs?

Can you draw a map of a fairy tale kingdom or a fairground?

Can you find house numbers whilst walking around Netherfield? What do you notice about them?

Can you draw Chandos Street and log the house numbers along it?

Can you draw and label a diagram of your house (or another building in Netherfield)? What can you find out about its past? How old is it? Who has lived there? What is it made from?

Write a poem all about Netherfield or Nottingham. Can you perform it to us in class or record it on Dojo for us to share?

If you want to create something else linked to our topic that is fine but don't forget to put your name on all of your work.
ENJOY!
