

Polar Opposites

Year 2, Spring 1 - Home Learning Topic Menu

We are thrilled to introduce our new term's topic Polar Opposites where we will be learning about the North and South Poles and who lives there. Please try and complete 3 pieces of topic learning. Feel free to bring in work as soon as it is complete for display. We will have a class sharing and celebration of work in the final week of term so the homework deadline is Friday 14th February. We can't wait to see what you create!

 <p>Reuse and recycle</p>	 <p>Recycling Craft Emperor Penguins</p>	 <p>Turn yourself into an Inuit.</p>
 <p>Paint the Northern Lights and collage an igloo.</p>	 <p>Make penguin shapes.</p>	 <p>Make a diorama polar scene</p>
 <p>Collage Terra Nova</p>	 <p>Draw the Terra Nova in pen and paint it with coffee mixture.</p>	<p>If you want to create something else linked to our topic that is fine but don't forget to put your name on all of your work. ENJOY!</p> 

We always love a good story in Year 2. Perhaps you could write your own Polar adventure or perhaps write a report on another polar animal for our display.
