

It's A Bug's Life

Year 2, Summer 1 - Home Learning Topic Menu

Here are some ideas for this term's topic home learning. Feel free to bring in work as soon as it is complete for display. Each piece will earn you 10 Dojo points.

We can wait to see what you create!

<p>Write us an insect riddle or limerick.</p> <p>Limericks</p> <p>There once was a boy named Lance. He really liked to dance One day by a chance He got ants in his pants And it made him jump and prance.</p> 	<p>Weave your own minibeast.</p> 	<p>Write your own minibeast fact file. Tell us about its anatomy, habitat, lifecycle, what it eats, what eats it and other special features.</p> 
<p>Write a diary for a minibeast. A week in the life of a _____.</p> 	<p>Weave your own minibeast.</p> 	<p>Make your own Top Trumps card game using minibeasts and their features.</p> 
<p>Design your own minibeast and label it. What fun features would it have? Where would it live?</p> 	<p>Make a 3D insect using garden wire.</p> 	<p>Year 2</p> <p>If you want to create something else linked to our topic that's fine. Try looking on Pinterest.</p> <p>ENJOY!</p>
<p>Write your own insect adventure story and write it up as a book with illustrations.</p>	<p>Write a shape poem or Acrostic Poem for the word INSECT or any other topical word.</p>	<p>Write a list of as many insects and minibeasts in alphabetical order as you can.</p>
		
<p>Watch a minibeast movie. Make a poster for the movie or write a review. What did you like or not like about the movie? What did it teach you? Enjoy.</p>
