### Learning themes

In our indoor and outdoor Learning Labs the children are encouraged to explore and investigate. They are able to choose what they want to explore, and their learning experience is enhanced and developed through adult open ended questioning. This term our topics are "Marvellous Me" where we are looking at our family and our houses and what we look like. We would love if you could send us a family photo for us to put on our wall. Next half term our topic is "Let's celebrate". In this topic we are looking at Diwali. We will also look at the different seasons and what happens?, what keeps us warm in winter?

### Star of the week

Each week we celebrate the children's successes in a star of the week assembly. We also use our Class Dojo points to reward the children and share with you how well they are doing.

### Maths

In Caterpillars we have a maths and phonics session each day. In Maths this half term we are identifying colours, We then move on to looking at shapes.

### Phonics

In our phonics we have lots of nursery rhymes which we will focus on in the first half term. For each nursery rhyme we will look at the words that rhyme, sound knowledge and listening. We also look at environmental and voice sounds.

### PE

Miss Swift and the team teach our PE lessons on a Monday afternoon and Thursday mornings. Please remember to send your child in sports clothing and trainers. In PE the children get to use our brand new soft play equipment where we practice jumping, climbing, balancing, moving in different ways etc and turn taking.

We have reading areas where the children have access to familiar stories and topic related books. On a Friday in nursery we have library day where your child brings home a story to enjoy with the family. Please return these each week so your child can take a new one home for you all to enjoy.
