

Year Three

Happy New Year and Welcome back!! The children have enjoyed their first full week back after Christmas and are excited about starting their new topics this term! If there is anything you wish to discuss with any of the year three teaching team, then please don't hesitate to approach any of us either in person, at the end of the day, on the phone, or over Class Dojo.

PE

PE is on a Monday morning with Mr Humphreys and Miss Swift. Children are required to come to school in PE kit which they will wear for the whole day. This term the children will be doing gymnastics and games.

Reading

Last term the children enjoyed our class books of The Legend of Kevin and Charlie and the Chocolate Factory. This week, we have started reading Mr. Penguin and the Lost Treasure, our first class book for this term. In reading, the children will continue to study a range of texts linked to other curriculum subjects. They will be using these texts to help them develop the fluency, vocabulary knowledge and comprehension skills.

We love reading at Netherfield, and we hope you do as well! Please try to read at home every day and remember to write in your reading diary. It is so important to read as much as possible and we really appreciate your support with this. We count home reads every Friday and we give dojo points out for home reading.

Who's Who

Class 5 – Miss Morgan (Class teacher)
Miss Atherton (TA) Miss Moreno and
Miss Tucker.

Class 6 – Miss Ash (Class teacher) Mr
Prideaux (TA) Miss Harley (TA)

Year Three Spring newsletter

English

This term, the children will be learning how to write an explanation text, using technical vocabulary and writing in chronological order. They will also be using time and place adverbials (non-fiction). They are going to be looking at a range of poetry and identifying some of the features of poetry including alliteration and onomatopoeia. The children will then write their own Kenning Poems.

After Easter, the children will be learning about time, place and cause prepositions and how to include them in their writing to explain why, where and when something has happened. The children will also be learning how to use inverted commas to write direct speech. The children will then plan and write their own narrative.

Other Learning

History – Ancient Egypt

Geography – Greece

Science – Rocks and Fossils

RE – The importance of prayer to a variety of religions.

Art – Claude Monet (impressionism) and canopic jars.

PSHE – Looking after me, understanding others and understanding groups.
