## Caterpillars

### Summer 26

## Learning themes

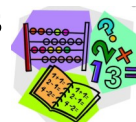

In our indoor and outdoor Learning Labs the children are encouraged to explore and investigate. They are able to choose what they want to explore, and their learning experience is enhanced and developed through adult

## Star of the week

Each week we celebrate the children's successes in a star of the week assembly. We also use our

## Maths

In Caterpillars we have a maths session each day. In Maths this term we will be singing lots of number songs . We will

## Phonics

In our phonics we have lots of nursery rhymes we continue with listening too and joining in with. We

## PE

Miss Swift and the team teach our PE lessons on a Monday afternoon and Thursday mornings. Please remember to send your child in sports clothing and trainers. In PE the children get to use our brand new soft play equip-

During the Summer Term children will experience a visit from the 'Animal Man'. He brings a variety of animals in where the children can hold them and ask lots of questions around them.

## Reading

We will continue sending our books home with the children. This half term we will be reading a variety of books based around minibests and growing for you all to enjoy.
